

Jared and Carla Hardy, Directors
Chisholm Trail High School
3100 NW College Drive
Fort Worth, TX 76179

Greetings Directors!

We are very excited to have you all on our campus next month! Chisholm Trail High School is located just north of I-820 off of Marine Creek Parkway in northwest Fort Worth. Upon arrival, please park all buses, vans, etc. in the parking lot between the Performing Arts Center and the Football Stadium. The entrance to the Performing Arts Center is located in the courtyard facing the gymnasiums. If needed, please refer to the CTHS Campus Map.

The contest office will be located upstairs to the right as you enter the foyer of the Performing Arts Center. As always you will check in and receive results in this area. There is an elevator available for those who might be in need.

During the contest each choir will have a Chisholm Trail Chorale student host who will guide you throughout the day. There will also be several student greeters in the foyer who will open and close the doors to the auditorium before and after each performance. The auditorium has just over 1000 seats if you prefer to have your choirs listen to other groups. The foyer is large with tiled floors and a vaulted ceiling, so please make sure your students remain silent if they are in the foyer during performances. Also, our courtyard is very large and has a seated amphitheater in which students may gather pending good weather.

Please don't hesitate to email us if you any logistical questions or need any other information not listed on this letter or on the CTHS Campus Map. We hope your UIL experience is fantastic!
